Dear Ms. Clemons and Mr. Matley:

With this letter, the California Department of Transportation transmits Administrative Modification No. 7 to the Rural non-Metropolitan Planning Organization area portion of the California 2019 Federal Statewide Transportation Improvement Program (FSTIP). This modification increases the programming capacity in the amount of \$11.09 million that relies on the State's programming capacity. The financial plan will be updated to reflect this change in the next FSTIP amendment.

Administrative Modification No. 7 modifies the programming of the following existing projects to the local and state transportation systems:

Calaveras County

Proj #1: CTIPS ID 230-0000-0432, Hot Mix Asphalt/Chipseal of Six Mile Road near Murphys – minor modification on the project description without changes in scope, cost and schedule.

Various Counties

Proj #2: CTIPS ID 230-0000-0029, Grouped Projects for Emergency Repair – State Highway Operation and Protection Program (SHOPP) Emergency Response Program – increases the total funding by \$14.56 million in Federal Fiscal Year (FFY) 2018/19 consistent with California Transportation Commission (CTC) Resolution 18H-008 and revises the detailed backup listing of projects.

Proj #3: CTIPS ID 230-0000-0134, Grouped Projects for Safety Improvement – SHOPP Mandates Program – reduces the total funding by \$3.79 million in various FFYs consistent with CTC Resolution 18H-008 and revises the detailed backup listing of projects.

Proj #4: CTIPS ID 230-0000-0069, Grouped Projects for Pavement Resurfacing/Rehabilitation – SHOPP Roadway Preservation Program – increases the total funding by \$324,000 in various

FFYs consistent with CTC Resolution 18H-008 and revises the detailed backup listing of projects.

These changes are consistent with the FSTIP Amendment and Administrative Modification Procedures and have no impact on the rural non-MPO financial constraint or air quality conformity. In addition, there are no projects in this administrative modification that are included in any other amendment that is currently open for public review.

Since administrative modifications do not require Federal Highway Administration and/or Federal Transit Administration approval, these changes have been incorporated into California's 2019 FSTIP. Please note that the approval of this modification does not constitute an eligibility determination of projects for federal funding.

If you have any questions or comments regarding this modification, please contact Lilibeth Green of my staff, at (916) 654-3521.

Sincerely,

Muhaned Aljabiry, Chief  
Office of Federal Transportation Management Program
